

THE TN AHEC SCHOLARS PROGRAM

You are being asked to provide a letter of reference for the 2018 TN AHEC Scholars Program.

The 2018 TN AHEC Scholars Program aims to improve the diversity, distribution and skills of health professionals across Tennessee by preparing students who are interested in a career in health care for the practice transformation that is currently occurring in the health care delivery system. The program will provide students with 40 hours of team-based, clinical training and 40 hours of didactic education each year, for two years. AHEC Scholars will receive training and develop skills in patient centeredness, practice transformation, interprofessional team-based care, behavioral health integration, cultural competency, and the social determinants of health.

LETTER OF REFERENCE (East Tennessee)

Name of Applicant: _____

Your Name: _____ Title: _____

Email Address: _____ Phone Number: _____

Relationship to Applicant: Professor Health Care Provider Mentor
