### Consent to Evaluation and Treatment

Cherokee Health Systems (CHS) is dedicated to providing comprehensive primary care, dental and behavioral health services. Because wellness involves both the body and mind, our multidisciplinary team of providers work together to offer you high quality whole person healthcare. In order to provide you with comprehensive and coordinated care, your providers may involve other healthcare specialists as part of your care team. Members of your health care team will collaborate and share clinical information as needed to ensure enhanced continuity of care.

Some services at Cherokee Health Systems may involve the use of telemedicine equipment and interaction with providers who are not physically onsite. These services utilize high-speed electronic connections and incorporate healthcare industry-standard encryption and data security methods. While there is no guarantee these transmissions cannot be intercepted, great care is taken to prevent all unlawful access to electronic data.

I understand, that if I am 16 years of age or older, I may consent for certain types of health services, including mental health services; if I am 18 years of age or older, I may consent for all other health services; otherwise my parent or legal guardian will need to consent to services. By signing this form, (parent or legal guardian signature, if required) I agree that I have read or had this form read and/or explained to me, that I understand it and that any questions I asked have been answered. I understand that I agree to be truthful in providing information.

Thus, I hereby ask, agree, and consent to evaluation and treatment for myself and/or child(ren) as set forth above, including any studies or procedures that CHS professional staff decide are necessary or appropriate. If signing as parent or guardian, I hereby represent and warrant that I am legally empowered and entitled to make such decisions.

**Financial Information**

As a patient of Cherokee Health Systems, you are responsible for the payment of all fees associated with your care. However, we believe that money, or a lack of money, should never keep you from getting the care you need so all CHS services are available on an "ability to pay" basis. This means your income and family size will determine the amount you are asked to pay. By signing below, you agree to provide us with accurate information, now and in the future, and that you will attempt to pay your fees on the day you get your services. You may also choose to decline providing your financial information to us. However, by declining, you will not be eligible for income-based discounts, and will be responsible for payment of the full fees associated with your care.

**Proof of Income is required for all discounts:** Before a discount can be arranged, our funders require that you provide written proof of your total household income. You may use paycheck stubs for at least three consecutive pay periods, benefits check stubs, W-2 forms, a copy of your most recent federal income tax forms, or a copy of applications for any other agency benefits if they include household income (i.e., applications made at DHS, Helping Hands applications or cards, etc.)
